

Marguerite's Place Inc. & The Anne Marie House

Are seeking Volunteers for our Combined Parenting Journey Program offered free of charge to residents of both programs.

- 1.) **Babysitting volunteers:** These volunteers would be assisting with the care of the children (infants – 12 yrs old). Care would take place at Marguerite's Place onsite child care rooms while Moms are in the building right next door for the Parent journey program. There would be minimum of 2 adults in each classroom so volunteers would not be alone with children. Activities provided. We can use your help weather you can do one night or 12.
- 2.) **Meal Preparation volunteers:** A large part of the program is the meal that our participants share. This is a way to teach about eating together and to give ideas of nutritious meals they can provide for their children. We are looking for each volunteer to provide a prepared meal for one of the 12 nights.

Dates: Tuesday nights from 5:30/5:45 – 8:00 (meal volunteers only need to bring in the prepared meal by 5:45 or earlier if it needs to be heated up.)
