Bank of America Supports Marguerite's Place Inc. Transitional Housing Program

Nashua, N.H.—The Bank of America Charitable Foundation recently awarded \$5,000 to Marguerite's Place Inc. to support the organization's work with homeless families.. The grant will be used to provide funding for the housing, child care, and supportive services available to homeless women with children who reside at the Nashua housing operation. Critical program offerings such as intensive case management, 24/7 security staffing, and parenting classes would not be possible without this funding.

“Bank of America and Marguerite's Place share a commitment to strengthening New Hampshire communities, creating opportunity and improving the lives of others,” said Ken Sheldon, Bank of America New Hampshire president.

Over the years, Bank of America has been a consistent supporter of Marguerite's Place Inc. as well as many other local nonprofit organizations. Since 2008, the company has provided \$20,000 to Marguerite's Place.
