The Stocked Fridge

It's a Marguerites Place Fundraiser!

Bring your family back to the kitchen table and earn
money for the Marguerites Place!

Imagine if you could pick up a healthy dinner with all the ingredients in your
fridge ready to cook?

Here's how it works – for the month's of January, February and March, order
your meals online at www.thestockedfridge.com, click on "Get Credit for Your
Organization" toward the bottom of that same page, and choose
Marguerites Place from the dropdown menu. Then, we do the grocery
shopping, all of the prep work, and all the clean up. Just stop by our Merrimack
or Milford store to pick up your dinners and/or side dishes. By ordering the
meals, you simply take one of the meals out of your freezer – a healthy dinner
thawed in the morning and cooked that night. All you do is cook the dishes in
your own kitchen, and presto – a healthy nutritious meal!

Bonus!

Marguerites Place earns 10% of the amount spent by friends of
Marguerites Place!
