## **AN 80s DANCE PARTY FUNDRAISER**

# **MIAMI NIGHTS**

Friday, April 7, 2017

6 pm

Sky Meadow Country Club

This event benefits the homeless children  
and childcare center at  
Marguerite's Place, Inc.,  
Nashua, NH.

## What is Marguerite's Place, Inc.?

Our transitional housing program for homeless women and children, offers turn-key, fully furnished apartments for up to 24 months of residency, intensive daily or

weekly one-on-one case management, and childcare. As a nonprofit organization established in 1994, we have been providing for the physical, emotional, educational, and social supports for homeless women with children to achieve and sustain self-sufficiency. Our holistic approach allows families to grow in all areas as they gain the skills and income necessary for long term success.

Once a women has graduated, we continue to assist them with case management and childcare in our Aftercare program for up to five years.

### Why are we needed?

We address homelessness which happens when there is addiction, domestic abuse, or the break up of a relationship. As women and children continue to be the majority of those living in poverty, there will always be a need for a holistic transitional housing program. For most families, when some of life's barriers are cleared, they learn to be independent. You can help with our mission to continue to provide transitional housing in the Nashua area by being one of our event sponsors.
