How You Can Help

Our organization has made a significant difference in the lives of women and children throughout the past fifteen years, and has been recognized as a beacon of light for those who have journeyed through our program.

Their triumphs and accomplishments, however, have only been made possible as a result of the compassion and generosity of the business community and individuals in Greater Nashua as well as the hard work and dedication of the staff and volunteers of Marguerite's Place.

Monetary donations are always welcome, as well as in-kind donations and volunteer hours. Whether it's a one time offering, or a continual donation through our Daisy Chain program, please know that your support and contribution will impact the lives of the women and children at Marguerite's Place greatly.

How We Began

Marguerite's Place, Inc. was created by the Grey Nuns in the United States in 1994 in response to a dramatic increase in the critical needs of homeless women in crisis and their children.

Since that time, over 1,700 women and children have applied to our program, and over 350 families have called Marguerite's Place "home."

True to its roots and to the compassionate, loving spirit of Saint Marguerite D'Youville, Marguerite's Place, Inc. operates today as a private non profit with IRS 501 (c)3 status.
